Registration fee: \$20 per child, ages 0-12th grade.

Background Check fee: \$15 per parent/adult that will be teaching at (participating in) Co-Op. Any parent/guardian that may bring students (at any time throughout the school year) must plan to remain at and participate in Co-Op that day and must have a completed background check. The only exception is High School students that bring themselves to Co-Op (see below). This is to remain in compliance with our legal and insurance requirements.

Additional fees for High School:

- Science courses: \$12 per student, per year, per class they are attending.

- Student-only (no parent attending or participating in Co-Op): \$80 per student per year (\$40 per semester), per class they are attending.

Fee Maximums: There is a \$100 maximum per family registration fee, plus the background fee and any High School science fees or student-only fees (parent not participating in Co-Op).
